

inc/arena.h

```
graph TD; A[inc/arena.h] --> B[stdint.h]; A --> C[stddef.h];
```

The diagram illustrates a header file dependency. At the top, a gray box labeled 'inc/arena.h' has two blue arrows pointing downwards to two white boxes. The left box is labeled 'stdint.h' and the right box is labeled 'stddef.h'. This indicates that 'inc/arena.h' includes both 'stdint.h' and 'stddef.h'.
